SWEET PEAS FOR FLORISTS

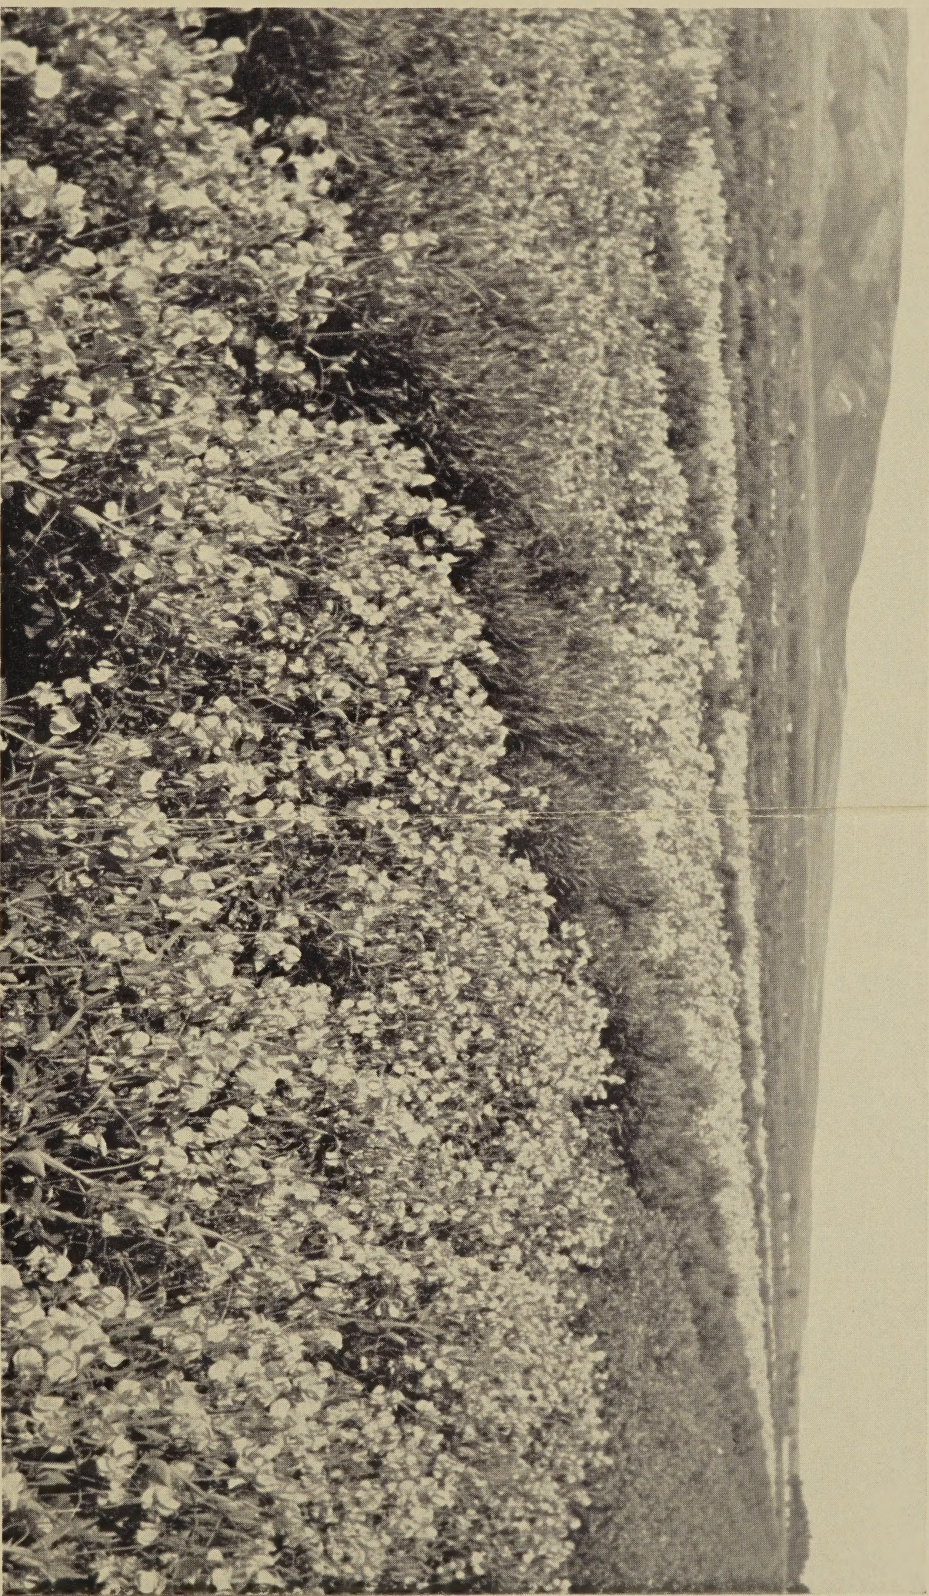

# *Announcing . . .* MACDONALD'S 1941 SWEET PEA NOVELTIES

## FEATURING FOUR NOTABLE WINTER FLOWERING SPENCER SORTS

"The culture and development of better Sweet Peas has always been our aim, and to achieve this mark we have specialized in the production of Winter Flowering Spencer Sweet Peas for greenhouse growers."

*In the above photo we are pleased to illustrate part of our 1940 Sweet Pea acreage, which comprises in all more than 125 acres devoted to the seed production of this popular cut flower.*

THE WILLIAM MACDONALD SEED COMPANY  
SANTA MARIA CALIFORNIA

Handpicked seed will be ready for shipment the last week in June on both the four 1941 Novelties, and the following outstanding Florist Sweet Pea varieties. If convenient, we will greatly appreciate receiving your early delivery requirements before the middle of June, so that we can arrange our schedule accordingly. Please refer to our 1940 catalog for a complete listing of all Sweet Pea varieties.
